

# CLEVELAND “*DEMOCRACY* *DAY*” PUBLIC HEARING

**Monday, May 6, 5:00 pm**  
**Cleveland City Hall, 2<sup>nd</sup> Floor Conference Room**  
**601 Lakeside Avenue, East**

Think there's too much money in politics?  
Does it seem that corporations have too much power in our  
community, state and nation?

In 2016, more than 9000 signatures were collected on a grassroots citizens initiative petition calling on Cleveland City Council to urge Congress to pass a Constitutional Amendment stating that corporations do not have constitutional rights and money is not “free speech.” The initiative also called for City Council to sponsor an every-other-year public hearing to examine the impact on our neighborhoods, city, state and nation of political influence by corporate entities and big money. City Council passed an ordinance containing these provisions in December, 2016.

**Cleveland City Council will sponsor its second “Democracy Day” public hearing on May 6 at 5 pm at Cleveland City Hall.** The public is invited to attend and provide testimony for up to five minutes per person.

*Whether you wish to speak or just to listen, please plan to attend.*

**It's your democracy!**
