

## David Cobb Speaks on – Creating Democracy & Challenging Corporate Rule

*On January 21, 2010, with its ruling in Citizens United v. Federal Election Commission, the Supreme Court ruled that corporations are persons, entitled by the U.S. Constitution to buy elections and run our government. Human beings are people; corporations are legal fictions.*

*Join David Cobb, a fiery speaker, and former Green Party presidential candidate, to discuss “Creating Democracy & Challenging Corporate Rule.” This event is part history lesson and part heartfelt call-to-action! Cobb is an organizer and national spokesman for MoveToAmend.org, a coalition of more than 107,000 people and organizations whose goal is to amend the United States Constitution to end corporate rule and legalize democracy.*
